INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF

HVAX TECHNOLOGIES PRIVATE LIMITED

Report on the Financial Statements

Opinion

I have audited the financial statements of **HVAX Technologies Private Limited (hereinafter referred to as "the Company")** which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss for the year then ended, and Statement of Cash Flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

In my opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (hereinafter referred to as "the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at March 31, 2022, and its profit/loss and cash flows for the year ended on that date.

Basis for Opinion

I conducted my audit of the Financial Statement in accordance with the Standards of Auditing (SAs) specified under section 143(10) of the Act. My responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of Financial Statements section of my report. I am independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to my audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my Audit opinion on the Financial Statement.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report but does not include the Financial Statements and my auditor's report thereon.

My opinion on the Financial Statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, my responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Financial Statements, or the knowledge obtained in the audit or otherwise appears to be materially misstated.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position and the financial performance and cash flow of the Company in accordance with the Accounting principles generally accepted in India, including Accounting Standards specified under Section 133 of the Act, read with rule 7 of Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

My objective is to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes my opinion. Reasonable assurance is high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decision of users taken based on these financial statements.

As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to

continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure, and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Note - 1 - Background

M/s. HVAX Technologies Private Limited is incorporated on November 26, 2010 with the main business object of executing HVAC (Heating, Ventilation & Air Conditioning) projects and units with using the equipments like Air Handling Units, ducting, Insulation, piping work, ventilators and air conditioners and other accessories and ancillaries equipments.

Note - 2 - Significant Accounting Policies

2.1 Basis of Preparation of financial statements

The financial statements have been prepared and presented under the historical cost convention on the accrual basis of accounting and comply with the Accounting Standards prescribed in the Companies (Accounting Standards) Rules, 2006 issued by the Central Government in consultation with the National Advisory Committee on Accounting Standards ('NACAS'), and the relevant provisions of the Companies Act, 2013, to the extent applicable.

2.2 Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) in India requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Management believes the assumptions used in the estimates are prudent and reasonable. Any revision to accounting estimates is recognized prospectively in the current and future periods.

2.3 Property, Plant and Equipments and Intangible Assets and depreciation / amortisation

Property, Plant and Equipments and Intangible Assets are stated at cost of acquisition less accumulated depreciation / amortization and impairment. Cost includes purchase price and other cost attributable to acquisition and installation of the assets. Intangible assets are recognised only when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of such assets can be measured reliably. Intangible assets are stated at cost less accumulated amortisation and impairment loss, if any. All costs relating to the acquisition are capitalised. Property, Plant and Equipments individually costing upto Rs. 5,000 are fully depreciated in the year of purchase.

2.4 Investments

Long term investments are carried at cost. Provision for diminution in the value of long term investments is made only if such a decline is other than temporary in the opinion of the management.

2.5 Inventories

2.7 Foreign Currency Transactions

Foreign currency transactions are recorded at the exchange rates prevailing on the dates of the transactions. Exchange differences arising on foreign currency transactions settled during the period are recognized in the profit and loss account of that period.

2.8 Employee benefits

Provident fund and Employees State Insurance

The Company is regular in contributions to the Provident Fund and Employees State Insurance at the prescribed rates. Provident fund and Employee State Insurance dues are recognized when the liability to contribute to the provident fund and employees state insurance arises under the respective Acts.

2.9 Taxation

Income tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with the income-tax law) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the year). The current charge for income taxes is calculated in accordance with the relevant tax regulations applicable to the Company. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantially enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written-up to reflect the amount that is reasonably/ virtually certain (as the case may be) to be realised.

2.10 Earnings per share (EPS)

Basic EPS is computed using the weighted average number of equity shares outstanding during the year. Diluted EPS is computed using the weighted average number of equity and potential equity shares outstanding during the year except where the results would be anti-dilutive.

2.11 Provision and contingent liabilities

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may or may not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.
